

SANISATION

CODE: DE040

DESCRIPTION: CROSSCO SANISATION - Acid cleaner that removes rust, mildew and moisture stains from porcelain and metal surfaces. Removes stubborn hard water stains from bath tubs, toilets, urinals, wash basins and sinks

RECOMMENDED USES: CROSSCO SANISATION - Badly soiled toilets and urinals need special attention. Our acid Bowl Cleaner has the power to quickly remove rust, dissolve organic stains and eliminate hard water residue.

- ADVANTAGES:**
- Stain Remover
 - Dissolves Hard Water
 - Does Not Affects Surface Gloss
 - Efflorescence Remover
 - Fast Acting Formula
 - Safe for Bathroom use

PRODUCT CHARACTERISTICS

Muriatic Acid (HCl), %wt	9% +/- 1%
Specific Gravity @ 60 Deg	1.047
Physical State	Liquid
Color, APHA	Blue
Baume Grades	9-10
PHYSICAL PROPERTIES	
#/Gallon	9.04
PH	>1.5
Flash Point	N/A
Solubility	Water
Incompatibility	Bleaches, Oxidizers, metals, alkalis, cyanides
Hazardous Decomposition	Reacts with metals to form hydrogen gas.
Polymerization - Conditions to Avoid	Will not occur-None.
Unusual Fire & Explosion Hazards	Cool containers exposed to intense heat with water to prevent container rupture.

SANISATION

GENERAL PRODUCT INFORMATION

SPECIFICATIONS

Directions for working with Sanisation Acid bowl Cleaner: Wear protective clothing, rubber gloves and plastic safety glasses while using. Avoid contact with chrome, brass, decorative metal surfaces, marble, clothing, carpeting, toilet seat and lid.

TOILET BOWLS: Apply under rim and around sides. Allow product to work for 5 minutes. Scrub entire surface and flush to rinse. More severe stains may require a repeat treatment.

URINALS: Remove screens or strainers. Apply at least four ounces around edges and top, allowing the product to flow down over surfaces. Wait 5 minutes before scrubbing, then flush to rinse.

SAFETY INFORMATION

Keep acid away from other chemicals, and never mix acid with any other chemicals. Mixed with Chlorine, and you can create a very dangerous mustard gas.

Muriatic acid must be used with **EXTREME CAUTION!!** Contact with the eyes, for example, can cause irreversible damage and permanent blindness. Contact with the skin even for a few moments can cause severe burns.

Refer to product Material Safety Data Sheet (MSDS) prior to product use.
