

X-40 COIL CLEANER

CODE: AM063

DESCRIPTION: CROSSCO – X-40 COIL CLEANER is a highly concentrated, non-acid and effective liquid cleaner/brightener for complete removal of dust, dirt, greasy-oily soils, carbon deposits and grime on the aluminum fins and copper coils of Air Conditioners, Car Condenser and Radiator, Air Cooled Chillers, Air Cooled Condensers, Air Cooler Tube Bundle etc.

RECOMMENDED USES: CROSSCO – X-40 COIL CLEANER. Use it regularly to clean the coils for more efficient operation and lower power consumption. String formula that cuts organic deposits and disinfects the system to circulate fresh and healthy air and enhances IAQ (Indoor Air Quality). Can be diluted with water.

ADVANTAGES:

- Stain Remover
- Foaming action
- Cleans & brightens
- Non-Acid formula

PRODUCT CHARACTERISTICS

Boiling Point	>220°F
Specific Gravity (H2O = 1)	1.02
Vapor pressure (mm Hg)	Same as water
Melting Point (Pour Point)	<25°F
Vapor Density (Air = 1)	Same as water
Evaporation Rate (Water = 1)	>1
Solubility in water	Water miscible
pH@ 25°C	14
Appearance and odor	Odorless, red liquid transparent

X-40 COIL CLEANER

GENERAL PRODUCT INFORMATION

SPECIFICATIONS

Directions for working with X-40 COIL CLEANER:
Wear protective clothing, rubber gloves and plastic safety glasses while using.

DIRECTIONS:

1. For outdoor use only. Wear protective goggles and gloves. Avoid breathing spray mist or vapors.
2. Apply with a chemical resistant sprayer adjusted for coarse spray to minimize misting.
3. Apply undiluted X-20 COIL CLEANER to achieve maximum foaming and soil lifting action. For moderately dirty or greasy condenser coils, X-20 COIL CLEANER is effective when mixed with water at a 1:2 ratio.
4. Shut system off, then spray X-20 COIL CLEANER solution into the coil fins from the bottom up.
5. Allow three to five minutes to achieve maximum foaming and cleaning, then thoroughly flush the coil with clean water. After use, thoroughly rinse sprayer with clean water.
6. Return the system to service.

Do not use this cleaner around food or on food contact surfaces.

SAFETY INFORMATION

Contain sodium hydroxide. Avoid contact with skin, eyes and clothing. Vapor harmful. Concentrated vapors can rapidly cause burning of skin, eyes and mouth.

FIRST AID PROCEDURES:

If breathed, remove to fresh air. In case of eye contact, flush with larger amounts of water for at least 15 minutes. If of skin, remove with soap and water and remove soiled clothing. Ingestion, drink 1 or 2 glasses of water to dilute. Never give anything by mouth to an unconscious person. Do not induce vomiting unless the physician instructions.

Use respiratory, eyes and skin protection.

KEEP OUT REACH OF CHILDREN

Refer to product Material Safety Data Sheet (MSDS) prior to product use.

For chemical emergency only, call Chemtrec 1- 800-424-9300
